# A tribute

To the governing body of Murray State College, a board of five regents, four of whom are appointed by the governor, and the fifth, the superintendent of public instruction, who is chairman, ex officio.

To the board of regents of yesterday and today, because of the high standards which they have established and upheld, of their unfailing cooperation, of their devotion to the college, and because of their faith in our student body, we dedicate the SHIELD of 1940.

## PRESIDENT RICHMOND

Completing his fifth year as president of Murray State College, Dr. James H. Richmond continues to hold the admiration of every student because of his untiring efforts to build a greater Murray.

A larger enrollment—an increase of 61 per cent during the last two years—a finer specialization of departments, and a more pervasive spirit of interest and cooperation among the students are evidence of his success.

## DEAN CARR

The lifelong vision of Dr. John W. Carr has been realized in the architecture, the landscaping, the curricula, the high standards of scholarship, the professional recognition of the faculty, and in the acclaim of the students and graduates of Murray State College.

The students take advantage of this opportunity to express to Dr. Carr their love and gratitude for all that he has done. His name will ever live in the name of Murray College.

## THE STUDENT ORGANIZATION

The Student Organization has brought to a close another successful year. It was headed by Hal Saunders, president, from Newman, Ill.; Lee Williams, vice-president; Helen Johnston, secretary; June Bushart, treasurer; Louise Sills and Walter Murray, senior representatives; Mary E. Roberts and Mary Nee Farmer, junior representatives; Peter Koss and Kathleen Winter, sophomore representatives; Bob Covington and Joe Little, freshman representatives.

This group, starting this year, selects the outstanding Senior boy and girl and awards them with an appropriate medal.

On the night before Homecoming, it sponsored a pep rally and a party for the alumni and students. This proved to be one of the most enjoyable events of the year and it is the plan of the organization to make it an annual affair.

It subtlet the dances to the Phi Mu Alpha music fraternity, and helped to make this year's dance program a success. It also helped promote a move for a bandstand for the dance band.

It created a deeper interest in chapel by directing a number of student programs, which were received with enthusiasm by the student body.

With the aid of the Student Organization, Senior Day this year proved to be the best ever held by the college. After a day filled with interesting programs, high school seniors and Murray students attended a dance sponsored by the Student Organization.

One of the great events of the year was the informal dedication of the John W. Carr Health Building, in which the Student Organization played an active part in honoring the Grand Old Man of Murray State.

Besides working to promote fun and school spirit, the organization has been striving to keep a high spiritual life on the campus. It sponsored "Dad" Elliot, who stayed on the campus a week, making talks and holding interviews with students to straighten out their problems.

By cooperation with the faculty and the administrative authorities, it has realized one of its greatest purposes—making the students of Murray conscious of their responsibilities as students of this institution.

To sum it all up, the Student Organization is interested in the student and faculty relationships on the campus and has been working toward its highest aim—that of getting students to work together in a way that will help the college grow bigger and better.

THE WEEKLY GET-TOGETHER CHAPEL

HOME OF NINETY-TWO OF MURRAY'S MASCULINITY

### LOBBY

The main gathering place of the male students of M. S. T. C. Under the direction of Ernest B. Smith, Jellico, Tenn., is the conversation; for Arkansas, call on Billy Silberblatt.

### BULL SESSION

This is an average size session, one of many which are held within 24 hours. Bob St. John seems to be leading this convention.

Opposite Page

## WELLS HALL

The Home of Coeds  
The Haven of High  
School Seniors

### INTERIOR OF ROOM

Life in Wells Hall is far from monotonous. Hair-curling and nail-polishing are leading time-fillers; magazines are in demand; and there are always assignments, when ingenuity fails.

### LOBBY OF WELLS HALL

5:45 p. m.—"Let's go down!" Students gather in the parlors for before-and-after-dinner discussions.

### GIRLS' SESSION

Dear to the hearts of dormettes are the long confabs on life, love, and the pursuit of happiness—the "sewing circles." Fashions—with Mademoiselle as the yardstick, food from home, and Moon River are standing favorites.

# MUSIC AT MURRAY

## Symphonic Band

Under the leadership of Professor W. H. Fox this Band consists of about ninety members. This organized group is noted for its several concerts given during the year.

## Symphonic Orchestra

The College Orchestra is one of the outstanding features of the music department. The group has about sixty-five members and is under the leadership of Professor Price Doyle. In addition to giving several concerts during the year, it plays annually at teachers meetings and baccalaureate services.

## Wood Wind Ensemble

This is a new organization under the direction of Professor Franklin P. Inglis. They present a versatile repertoire.

## Brass Ensemble

Being a new organization directed by Professor Joseph N. Garton, this group varies in size and instrumentation according to the material which is being performed.

## Sigma Alpha Iota Quartet

This group plays for K. E. A., Music Clubs in various places.

## Phi Mu Alpha Brass Ensemble

Under the direction of the Fraternity, this group plays for school and community activities.

# MUSIC AT MURRAY

## The Glee Clubs

Separate organizations for men and girls are maintained. Each organization plans to make at least one extended tour of the nearby territory each year.

## A Cappella Choir

The Choir is made up of both men and women. It sings various types of music and is under the direction of Professor Leslie R. Putnam. Special programs are given Easter and Christmas.

## Men's Quartet and Women's Quartet

Through the years, the music of these quartets has been the most popular with the laymen. They are very versatile and their repertoire contains many inspiring spirituals as well as many numbers of the ballad type.

## Theatre Orchestra

This, a new organization, plays at all stage performances of the Fine Arts Department.

## AT THE GAMES

What is so rare as a day in October? Brisk air . . . yellow chrysanthemums . . . feverish searching through programs . . . hot dogs and pop corn . . . the voice from the press box—

The band swinging the "Little Brown Jug" . . . spirited yells from the cheering section . . . a breath-taking moment—Touchdown!

MURRAY MARCHES ON . . . CHEERED TO VICTORY

CARR BUILDING • • • CENTER OF HEALTH

## LOCKER ROOM

One of five dressing rooms in the largest Health Building in the South. This is the central dressing room for the physical activity classes.

## BOWLING

Bowling, an activity newly added to the many attractions already offered. As demonstrated by Miss Walpole, not only the men but the women take part. Among the faculty, bowling has become most popular of all the diversions offered.

## BOXING

The most popular of the newly added minor intercollegiate sports on the campus has gained Murray much recognition. Jack Bratton, here, is endeavoring to awaken "Sleepy" Spears for the next round in an exhibition bout.

## SPARE TIME

Time on your hands, et cetera, et cetera?? Some prefer blondes . . . Swimming, bowling, ping-pong, shuffleboard, archery, hiking, and picnics are also first for leisure hours at Murray.

On rainy days students resort to bridge, crossword puzzles, and hamburgers.

Tennis is fun—but lounging on the cool grass afterward is more fun . . .

## INSIDE THE LIBRARY

### STACKS

One of the many stacks of references where it requires skill to find the right book.

### AT THE DESK

At the right, the contents of the library are catalogued; from here you find your reference, "if you can," and then turn it over to a clerk at the desk for service.

### READING ROOM

Where silence is the thing—go to this main reading room to get your assignments.

The Vivace Club, made up of majors and minors in the music department, strives to promote good music at Murray State.

At each meeting interesting programs are presented by students or members of the faculty. Each semester a musical recital is sponsored by the club.

The outstanding social event of the club is the annual Alumni Homecoming breakfast, at which the graduates of the music department are guests of the club.

Sock and Buskin's aim is to further interest in drama and the theatre. It is one of the oldest clubs on the campus.

Working for the second year under the sponsorship of Miss Thornton, the club gave a full program of plays of varied types. Included in the year's work were:

"You Can't Take It With You": The season opened with this stage and screen success which depicts the life of a family in which anything might happen.

"The Women": Playing to a packed house, the all-girl cast gave a splendid performance of Clare Booth's popular play. The twelve sets of scenery used created great interest.

"Abie's Irish Rose": This popular Broadway hit was brought to the Murray campus by Alpha Psi Omega, the national honorary dramatic fraternity.

"Another Spring": The spring semester opened with the first costume play the club had given. Beautiful lighting effects and scenery made the play outstanding.

"Mary of Scotland": This was the second Maxwell Anderson play given at Murray. The historical tragedy made use of full costumes and five sets of scenery.

"The Vagabond King": This musical comedy, based on Justin McCarthy's popular play, "If I Were King," was the last play of the year. It was given in collaboration with Sigma Alpha Iota, the women's music fraternity.

The International Relations Club, the oldest organization on the campus, is sponsored by the Carnegie Endowment Fund, to promote international relations.

This club is not a propagandist or action group, but discusses various sides to the questions discussed at the meetings. A valuable collection of books on international affairs is received annually by the club from the Carnegie Foundation. These books are given the library by the club and can be withdrawn by anyone who uses the library.

The club annually sends delegates to the Ohio Valley International Relations Conference, held last fall at Ohio University. It also sponsors the Purchase-Pennyrile basketball game, and at least one classical program.

The Young Democrat Club of Murray State College was first organized in 1936. It was reorganized in 1938 under the same charter that was issued to it in 1936 by the State Club.

The club was formed for the purpose of stimulating an active interest in governmental affairs and for fostering and perpetuating the ideals of the Democratic Party.

The Young Democrat Club of M. S. T.

C. is a member of the Young Democrat Clubs of the United States and Kentucky.

The first president of the club was Robert E. Everett, who had an active part in organizing the group.

In 1939 the local club sent delegates to the state convention of Young Democrat Clubs of Kentucky and took an active part in the election of the present state club president, W. H. Crowder, who is an honorary member of the M. S. T. C. Club.

All members of the club must be majors or minors in Health and Physical Education. The Physical Education Club proposes to bring about better methods of health and physical education in this section of Western Kentucky. The

climax of the program is the annual presentation of the Physical Education Carnival, which is reigned over by the club's selection of the boy and the girl with the most beautiful bodies.

## GAMMA DELTA CHAPTER

Installed May 15, 1938

With the formal initiation of the pledges listed below a total of seventy-four men have entered the ranks of Phi Mu Alpha Sinfonia through this chapter. The year's achievements include sponsorship of the second successful program of the college dances; the third successful production of "Campus Lights," the proceeds of which increased our student loan fund to approximately \$500; the publication of the show's hit tune; active membership in the Society for the Publication of American Music; the beginning of a chapter library of both printed and recorded American music; and active participation in the performance of American music on this campus.

## *Murray* DANCES

Dances at Murray are gay affairs. Dormitories are astir with pre-hop preparations. At Wells Hall: Where's an ironing board up? Who's next in that tub? Zip me up, please—hurry! hurry! Do you have a gold bracelet? Where's my hair ribbon? Oh, there's my buzzer!

At the men's dorm: Where's that white shirt? Is my tie straight? That hair looks like "Alfalfa"! What time is it?

Shelton and the boys "strictly" swing out . . . "Does Your Heart Beat for Me?" is a no-break specialty. . . . Jitter-bugs clamor for "Turkey in the Straw." . . . A coke at intermission. . . . Now it's the Central City lope. Doesn't time fly? . . . There's "Fate Denied My Love!"

## COACH STEWART

Roy Stewart, genial head coach of the Thoroughbreds since 1933, came to Murray from his Alma Mater, Union University, where he was head coach there for a number of years. He has his master's from Columbia.

He was lured to Murray in 1932 as assistant freshman coach, but was promoted to head coach in 1933. Since then, he has landed two conference crowns, and has never had a lower average than .500.

Playing a tough nine-game schedule, the Thoroughbreds broke even winning over Middle Tennessee, Morehead, Transylvania, Union University, while losing to Conway, East Texas, Howard, Louisiana Normal, and tying Western.

## Murray, 14; Middle Tennessee, 2

Making fifteen first downs to six, the Racers had little trouble with the Blue Raiders of Middle Tennessee. With Beale and Wray scoring touchdowns and Gudauskas kicking the extra points, the scoring for the night was halted by a rain and windstorm. Murray lost 132 yards by penalties.

## Murray, 20; Morehead, 7

With a vicious blocking line giving plenty of support to a good backfield, Murray won easily over Morehead. The first score came with "Tex"

Beale driving over from the three-yard line after Lou Walters had recovered a fumble. "Pee Wee" Nanney, who was the star ball-carrier of the night, ran the kick-off back 65 yards for a touchdown with faultless blocking. In both cases Gudauskas kicked the extra points. Again in the fourth period, it was Nanney who scored on an eleven-yard jaunt around end. The entire line stood out while in the backfield it was Nanney, Beale, Wray, Lee, Koss, and Ferrara. Murray lost 175 yards on penalties.

## Murray, 0; Conway, 21

The Breds, being caught flat, were completely out-hustled and fell 21-0 to a fighting Conway eleven. The Bears scored twice in the second quarter and once in the fourth; and kept the Breds with their backs to the wall by some fine kicking by Heath and Hooper.

# FOOTBALL

**Murray, 6; East Texas, 27**

The Thoroughbreds fell 27-6 to East Texas in an intersectional clash at Keiler Field, Paducah. The Texans exhibited a streamlined offense which the gallant Murray forward wall could only stop the first half. The Lions had a big fast line and a good flock of backs. For Murray it was the whole forward wall with Captain Lacy Downey, Lou Walters, and Gene McGarvey playing before a home town crowd. In the backfield it was Lee, Beale, Speth, Levandoski, and Ferrara. Murray's score was made in the fourth period when Ferrara plunged over after he and Speth had brought the ball down the field.

**Murray, 12; Union, 0**

In Union City, the Stewartmen gained the lead in the S. I. A. A. by beating Union University, Coach Stewart's alma mater. The Racers displayed a brilliant blocking exhibition as they made eighteen first downs and allowed Union only six. Cobbie Lee scored in the first period on a three-yard spinner after an eighty-yard march. In the fourth period "Pee Wee" Nanney intercepted Key's pass and stepped forty-two yards behind perfect blocking for a touch-down. The entire Murray squad were stars with Ferrara, Nanney, and Lee carrying the ball and Spalding doing some nifty kicking.

**Murray, 0; Howard, 7**

Playing before 4000 homecomers the Breds lost a slow game to Howard College. The Racers were in the hole most of the game by failure to cash in on scoring chances and fumbling. Howard's score came on a thirty-six-yard pass and a six-yard run after the receiving. House kicked the point. The Murraymen, lacking a scoring punch, made ten first downs for Howard's seven. A frantic last minute passing attack clicked but was called back. The line played fine defensive ball, with Lee and Speth doing most of the running, and Inman throwing passes to Haines and MacMurray.

**Murray, 0; Louisiana Normal, 19**

by the Demons of Louisiana Normal. They showed a well-balanced offense and good backs in Miguës, Wiggins, and Kirpatrick which netted three touchdowns and an extra point. Murray's line salvaged some glory as the Demons made only nineteen yards inside of the tackles. Joe Spalding was the best offensive threat for the Breds.

## Murray, 46; Transylvania, 7

Leading 34-0 at the half the Breds warmed up for Western with a 46-7 win over Transylvania on High School Day. After scoring two touchdowns in six minutes the first stringers retired for the afternoon. Touchdowns were scored by Beale, Speth, Inman, Goodman, Nanney, and two by Gish. The game marked the final home appearance of Seniors Pete Gudauskas, Herman Morris, G. C. Beale, Julian Craddock, Sammy Goodman, Bob Smith, and Eddie Curran.

## Murray, 12; Western, 12

In a thrilling contest, the Thoroughbreds and Hilltoppers fought to a 12-12 deadlock before 5000 exhausted fans. All the scoring by both teams was in the second half. For Western, it was Panepinto, Oliver, Van Meter, DuLaney, and Downing who stood out. For Murray, it was the whole squad. It was really Murray's ball game as the Breds made twelve first downs and 287 yards by rushing to Western's eight and 150, respectively.

## B A S K E T B A L L

A Murray State College team that hit its peak with a 36-30 win over the perennial K. I. A. C. and S. I. A. A. champions—Western's Hilltoppers—avenged every conference defeat except Delta State during the past season.

The Thoroughbreds dropped two heart-breaking tournament games—a 41-39 K. I. A. C. game to Morehead and a 25-23 loss in the S. I. A. A. tourney to Western, but accredited themselves well in both meets.

The Race Horses played the hardest schedule even attempted by a Murray team, winning thirteen and losing seven.

Captain Bill Carneal, who played less than five minutes in the S. I. A. A. tourney against Western because of a sprained ankle, was the season's high scorer. He was closely followed by Carl Steffin and Ned Washer.

Walter Murray and Bill Carneal were awarded positions on the All-S. I. A. A. team.

### COACH CARLISLE CUTCHEN

This genial basketball coach came to Murray in 1925. Since then he has achieved one of the outstanding records in the South.

# BASKETBALL

**WALTER MURRAY** made his last year his best and was awarded All-S. I. A. A. honors. Murray was the most dependable passer and coolest player on the squad and his steadiness kept the Cutchinmen in a unit.

**CAPTAIN BILL CARNEAL**, high-scoring aggressive captain, repeated to take all conference honors once more despite a sprained ankle. He will be missed next year.

**CARL STEFFIN**, port-sided junior forward, whose basketball abilities were transferred from Jordan College to Murray. A steady scorer, Steffin was also a good defensive man.

**BOB SALMON**, a transfer from Jordan College who came through for the Racers on several occasions. Salmon is a good shot and a good passer and will be tough next year.

**DURWARD CULP**, a sophomore who flashed brilliance at times and showed definite promise of becoming a real star in '41 and '42. Culp is a "natural" and should help out.

**LESLIE McKEEL**, "Little Mac" is considered one of the Racers' finer guards; his offensive ability has never been doubted and should really come through next year.

**NED WASHER** had an in-and-out year but managed to come through in the Cutches. This 6'5" junior is a natural basket shot and will help out next year.

**JACK HAINES**, aggressive ball-hawking sophomore guard. Haines is a good passer and a better dribbler and should see much service his next two years.

**CHAMP RUSHING**, if this high-jumping sophomore continues to improve, Murray will have a real star. He is the most improved ball player on the entire squad.

**ERMINE VINCENT**, a sophomore guard who should develop into an outstanding ball player as he is a good set shot and his passing has improved.

For the second time in as many years Murray State's track team took part in three meets. Jim Moore, who was serving his first year as coach of the thinlies, lacked material to work with losing to Southwestern Missouri Teachers, Western and placing third in the K. I. A. C. for the second time in Danville.

## ON THE CINDER PATH

Completing Murray's second tennis season, Coach Walter Blackburn's men won three of nine matches, but chances for an improved squad this season are very good.

The team will have Wilson, Pickard and Noel, who played regular last season.

Wilson and Pickard will be swinging for number one position; although they alternated some during the end of the '39 season, Wilson was considered number one man.

With the loss of Lassiter, Palmer, and Wear, Coach Blackburn will be looking for other stars to join his netter squad.

This squad was highly honored last season for its defeat of the "Hilltoppers" of Western, they were the only Varsity team to defeat a Western Varsity in the school year of '38-'39.

Hats off to the Racquet Wielders.

## ON THE TENNIS COURTS

# S W I M M I N G T E A M

Six Murray State College Swimmers, who brought Murray its first K. I. A. C. swimming championship in the initial year of competition, have been named by Coach Clair McGavern for services rendered this season.

In the first meet, the Sea-Horses dunked Berea, 50-15, and the very next evening placed second in a triangular meet with the University of Kentucky and Eastern. The only home meet of the year found Washington University's Missouri Valley champions for the past 15 years, taking the 'Bred tanksters in easy fashion.

Murray won the K. I. A. C. meet with a four-man team, Carroll Jones taking three first places out of three possible events. He not only was high scorer of the meet with the highest possible total, 18, to his credit, but also broke records in the 220 and 440-yard free-styles.

Lettermen named by McGavern were Tom Maddox, Mayfield; Captain James Riley Bailey, Murray; Joe Banken, Owensboro; Carroll Jones, Lincoln, Ill.; Jimmy Hart, Murray; and Thomas Neathamer, Cairo, Ill.

## BOXING

For the second consecutive year Murray State has gone undefeated in boxing. The boys coached by Jim Moore punched their way to a 6 to 2 win over tough Tennessee, a 4 1-2 to 3 1-2 victory over Mississippi State, a 6 to 2 win over Cumberland University, and a 5 1-2 to 1 1-2 victory over Xavier University, Buckeye Conference champs.

In the Tennessee meet George Whitecotton contributed Murray's first point and was followed by Erwin, Paschall, Levandoski, Nanney and Walters.

Murray conceded two bouts to Mississippi State and then won on points by Whitecotton, Paschall, Nanney, Levandoski, and a draw by Fiser. With Nanney being pressed to win Murray won over Cumberland with victories by Paschall, Nanney, Fiser, Hutt, and Levandoski. Whitecotton, Paschall, Fiser, and Levandoski contributed points to beat Xavier.

## FRESHMAN FOOTBALL

Although the games won and lost doesn't show it, the Murray Frosh had a successful season. Playing four tough games they lost to Southwestern Freshmen, 21-0, and an average Western team, 6-0, while tying the powerful Pensacola (Fla.) Naval Air Station, 3-3, and winning from Austin Peay, 6-0.

In the Western game the Baby Breds piled up fourteen first downs while Western made two.

If Coach Miller picked any stars he would include Lambert Captain, Perkins, McCauley, and Moore in the backfield and Hahn, Bychowsky, Ouelette, and Dempsey in the line.

## MURRAY STATE FRESHMAN BASKETBALL

Murray's Frosh, with one of the best teams in the history of the school, won ten games while losing three in the toughest competition available. Two of the defeats were administered by Austin Peay's undefeated Governors, the conquerors of Vanderbilt's Varsity.

The Yearlings were composed of such outstanding stars as: Jack Jennings, an All-State boy from Horse Cave; Harold Kirkpatrick, an All-Southeastern boy from Russellville; Travis Canup, the high scorer from Heath, who is reputed to become a second Burdette; Hyland Grimmer, the pride of Tilghman, who is capable of becoming one of Murray's greats; Ralph Cathy, another Heath flash, who took care of the tough boys; Joe Little, Calvert City star, and Haron West, who starred at Murray High School.

## "THAT FRIENDLY BANK"

Every bank has a personality. A character different from all other banks. It may be size. It may be tradition. It may be age. It may be a number of things or a combination of all of them.

At the Bank of Murray it is the spirit of friendly service. One senses the air of friendship when he walks in. The officers are not in secluded offices. Every officer you meet knows you by name and is glad to be of service.

We enjoy living up to our reputation as a friendly bank. Our officers are always available to the public. The Bank of Murray is a friendly bank. We should like for you to come in and see for yourself.
